REGISTERED NURSES

1945

Excerpts from the Laws Relating to Nurses:

Section 3211.1. "During the month of December of each year, every registered nurse shall renew his or her certificate of registration for the year beginning January 1st, with the Board of Examiners for Nurses, for which renewal fee of one dollar shall be paid."

Chapter 22 of the Laws of Montana of 1943:

"Those nurses registered under this act who have paid the regular registration fee of fifteen dollars ($15.00) and are now serving or do in the future serve with the armed forces are specifically exempted from paying the annual renewal fee of one dollar ($1.00) specified above during the duration of the present World War II and for six (6) months thereafter, unless they sooner return to the practice of the nursing profession within this state."

The following list contains the names and addresses of all registered nurses in the State of Montana who, in compliance with the state law, have renewed their R. N. licenses with the State Board of Examiners for Nurses. Sisters of religious orders who are licensed nurses are listed separately following the letter S.

This list went to the printer February 15, 1945, and contains the names of all nurses licensed prior to that date. The names of those licensed after that date may be obtained from the files of this office.
